SHREK the THIRD Live!

The adventure continues.....

When Shrek and Princess Fiona unexpectedly get made King and Queen of Far Far Away, Shrek is more than a little reluctant to attend the Royal Coronation and even more reluctant to be King at all! Shrek must learn to be refined and dignified and even with his faithful friends Donkey and Puss in Boots on his side, it is going to take an ogre-sized effort. Can Princess Fiona convince Shrek to step up to his Royal duties and become king of Far Far Away or will Shrek find his own "happily ever after" back in his swamp?

Join Shrek, Princess Fiona, Donkey and Puss in Boots in the all singing, all dancing musical adventure that is SHREK the THIRD Live!

The Simpsons

Lisa has had another bright idea, she wants to follow her love for music and start a rock star band. Bart has of course jumped on board, taking up any opportunity to show off and Molly Smelldrum has taken up the challenge of turning Bart and Lisa into Rock Stars! But where is the band and what really makes a true Rock Star! Through a series of games and interactive activities, the audience helps Molly, Bart and Lisa discover how to be a True Rock Star!

Wild Action!

Chris from Wild Action as seen on 'Talk to the Animals' on Channel 9 will be back again this year as one of our major acts. Come and learn more about snakes, crocodiles, and lots of Australian native animals up close with the gang from Wild Action.

The Zoo that comes to you!

Calling for Volunteers

Volunteers play an extremely valuable role in helping us to stage Greater Shepparton's Biggest Family Event at everybody's favourite Adventure Playground SPC Ardmona KidsTown. By volunteering you can keep KidsFest one of the cheapest and accessible events of its kind in the World.

We need your help!

All volunteers receive a volunteer uniform and food, (lunch and snacks on your shift days) and heaps and heaps of appreciation and cheers from mums, dads, kids and organisers.... And Shrek and Donkey! We also have a BIG thank you bash at the end! We need people to help with EVERYTHING..... From setting up and parking cars to assisting with the arts and crafts, sports displays and even in the shop.

So if you're available for an hour or a week between Monday 1 October and Monday 8 October we'd love to hear from you.
